UNUSUAL SOLID OAK TRESTLE TABLE

£3,000

Code: 4623

In the manner of Gustave Serrurier, the curved and carved trestle legs with shaped feet and stretchers

The spare construction of these side tables do not correspond precisely with any of the ranges designed by Serrurier for his company 'Serrurier et Cie', however we feel sure that their design is one of his; probably for an architectural commission

Perhaps the closest piece of known Serrurier furniture to the offered table was a plant stand exhibited at MAMAC, Liege in 2008 - 2009

Dimensions:

H 91cm x W 170cm x D 80cm

H 36" x W 67" x D 31½"
