

COPPER SIDE TABLE

£1,200

Code: 4682

ROSE UNIACKE EDITIONS

Inspired by the journey of prototyping our 'Straw' table, where we saw the many possibilities available through the process of hammering, heating and shaping phosphor-bronze sheet, this 'saucer' side table uses copper sheet in a similar manner.

The gently dished top is both vide-poche and occasional table - whilst throwing beautiful reflections - and stands on a sharply undulating base influenced by the designs of Jean Royère.
