BUBBLE LANTERN BY ROSE UNIACKE

£4,176

Code: BLRU

RU EDITIONS

Finish: Dark Bronze / Distressed Gilt / Nickel / Silver Plate

The Bubble Lanterns are made from traditional mouth blown, clear soda lime silica glass. During the blowing process, while the glass is molten, the outer surface is pierced using a mould, to create the small air bubbles. Each lantern is unique, with minor variations in the glass.

The Large size is the largest size possible for mouth blown glass.
