

LEADED LANTERN

£4,200

Code: LGL

ROSE UNIACKE EDITIONS

Made in Birmingham, the home of British stained glass and metalwork. The lead construction is a design based on the traditional constructions of Victorian terrariums.

The multi-faceted shade hangs from three simple dark bronze chains supported by a ceiling rose. Central to all of this is a single bronze egg-shaped lamp holder. The glass comprises four types of traditional cut glass, which is why they appear slightly different and cast curious light washes.

One metre chain standard length

Lead time 8 - 10 weeks.
