RU Glass Collection

The hand-blown leaded crystal is designed for everyday use as well as more formal settings. Influenced by Viennese Secessionist movement, it is crafted using traditional methods in the heart of the Hungarian glass blowing district. Useful for bedside, desk or dining

Manufactured in Transdanubia with a heritage stretching back to 1878, the glass crystal is manufactured in a factory that has modernised throughout the 20th century

Care: Handwash with warm soapy water and a soft cloth. Dishwasher use is not recommended.
