SHEER WOOL IN TOAST

£80

Code: 6947

Application: Curtains

Composition: 51% Wool, 32% Cotton, 9% PA, 8% Linen

Woven in the UK, Toast is a beautifully imperfect and light custom weave wool sheer inspired by antique sheers woven on a hand loom. Light to the touch yet full of character and warmth; perfect for drapery. A CFA is recommended for this fabric as the wool is undyed; slight natural variations in the wool can therefore be expected.
