

R

MID WEIGHT LINEN IN COCONUT

£103

Code: 7055

Application: Indoor/Outdoor Upholstery, Curtains, Soft Furnishings

Composition: 91% Linen, 9% PA

Martindale: 45,000

Launched as part of our outdoor collection but equally suitable for those looking for a 'resilient' fabric option, our performance linens pair a classic linen look, with added technology to enhance performance and waterproofing. An ideal solution for those looking for practicality as it is anti mildew as well as stain and water repellent, all while retaining a beautiful mid weight linen handle.
