TEXTURED LINEN IN WAFER

£154

Code: 7062

Application: Curtains, Soft Furnishings

Composition: 100% Organic Linen

Martindale: 14,000

A double width fabric made with 100% organic linen, Wafer's delicate honeycomb structure produced through a soft waffle weave creates dimension and depth while still remaining visually light. It is a versatile fabric, that particularly lends itself to drapery thanks to a width of 250cm.
