HOOF TABLE LAMP - CAST IRON BY ROSE UNIACKE

£4,500

Code: HTLamp

RU EDITIONS

Part of the Rose Uniacke Hoof range. Made from sand-cast iron, then hammered to get the texture and trimmed. Blacksmith made, the Hoof range is inspired by the 1920's French iron workers. The cast iron is then patinated to achieve a blackened bronze finish. To make these from solid bronze would be much more expensive and too heavy.

Please note the shades are not included

Leadtime 2-3 weeks
