## TEXTURED LINEN IN COPPER

£178

Code: 7953

Application: Upholstery, Curtains, Soft Furnishings

Composition: 100% Linen

Martindale: 30,000

Woven making use of yarns of varying thicknesses on a jacquard loom, Copper has an irregular texture that gives the fabric a relaxed and organic aesthetic that pairs beautifully with its softened and heavy weight. The fabric is piece dyed which keeps the colour relatively uniform.
