MID WEIGHT LINEN IN WHIPPED CREAM

£184

Code: 7977

Application: Upholstery, Curtains, Soft Furnishings

Composition: 100% Linen

Martindale: 35,000

Smart and crisp with a slight pearlescence, Whipped Cream has an interesting canvas texture similar to that of cotton duck due to its tight, plain weave. It has a soft white hue and is equally at home as a mid weight curtain or for use on upholstery.
