

ROUND DRAPERS TABLE

£6,240

Code: 8856

ROSE UNIACKE EDITIONS

Based on the fundamentals of our Drapers Table, the round French Oak table top, with a 120cm diameter, sits upon a sturdy, welded and patinated steel basket base. Ideal both as a centre table or as a 3 to 4 seater kitchen table. The 3cm thick oak top comes with a deep chamfered edge

Please note that these tables are built to be used; the surfaces are given only a light oil, allowing for daily use, spillage's and wear to build up an attractive patina over time. Whilst this may require some daring, an element of patience and trust will equate to a result in 18 months well worth the wait and in five years time the table might even be mistaken for an antique
