

SHEER LINEN WOOL BLEND IN CREAM TEA

£253

Code: 9597

Application: Curtains

Composition: 45% Wool, 41% Linen, 4% Alpaca, 4% Mohair, 6% PA

An elegant and decorative sheer, the intricate weave of Sheer Linen Wool Blend in Cream Tea is specially produced on an impressive jacquard double-width loom.

A strong linen warp offers a fine knit sheer structure while artisan spun alpaca, mohair and wool blend yarns across the weft introduce substance and character. The result is a sheer fabric that still communicates body and texture. Together with a tumbled finish and 315cm width, Cream Tea is ideal for drapery.
