

COTTON VELVET IN GLACIER

£117

Code: 9586

Application: Upholstery, Curtains, Soft Furnishings

Composition: Pile: 100% Cotton. Overall: 93% Cotton, 7% Modal

Woven with 100% cotton pile, Cotton Velvet in Glacier offers exceptional durability (100,000 Martindale) while retaining a sumptuous feel and rich, saturated colour. A short, buttery-soft pile together with a gross weight of 465g/m² presents an incredibly versatile fabric.

Martindale: 100,000

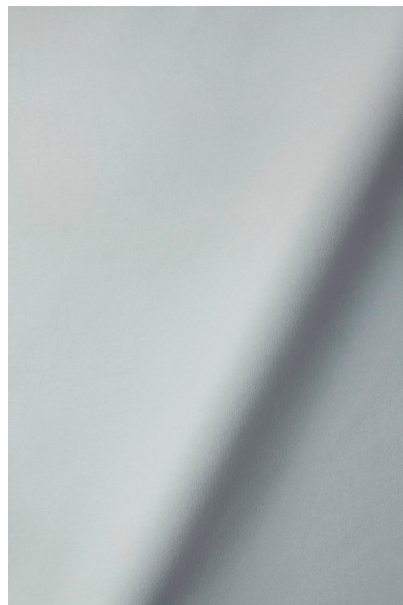

BS 5852: Part 1: 1979 Ignition source 0 (Cigarette)
