£193

Code: 9589

Application: Upholstery, Curtains, Soft Furnishings

Composition: 100% Cotton Pile (Overall: 86% Cotton, 8% Modal, 6% Recycled PES)

A colour saturated, vibrant yellow velvet, our Heavy Weight Cotton Velvet in Sunlight combines the softness of cotton with a heavier weight and longer pile to create a generously plush look and feel. The pile will crush and patina over time to achieve a more traditional velvet aesthetic while retaining ultimate performance with a 100,000 martindale. Crushing and creasing of the pile can be expected with use as part of the intrinsic character of the velvet. This fabric is shipped in a suspended box.
