

HEAVY WEIGHT COTTON VELVET IN OAKLING

£193

Code: 10300

Application: Upholstery, Curtains, Soft Furnishings

Composition: 100% Cotton

Sitting perfectly in between our existing Cotton Velvet and Mohair Velvet categories, our Heavy Weight Cotton Velvet combines the softness of cotton with a heavier weight and longer pile to create a beautifully plush look and feel. The fabric is remarkably durable with a Martindale of 100,000, and a specialist finish that supports the resilience of the pile. Some crushing and creasing of the pile can still be expected with use as part of the intrinsic character of the velvet. This fabric is shipped in a suspended box.
